Subject: Approval/Acceptance of Amended Notice of Intention to Commence Large Mining Operations, Kennecott Barneys Canyon Mining, Barneys Canyon Mine, M/035/0009, Salt Lake County, Utah

Dear Mr. Schnoor:

The Division of Oil, Gas and Mining approves the amendment received June 3, 2015, of the Monitoring Well Completion Summary for the Barneys Canyon mine. A copy of the amendment is enclosed for your records. The monitoring well details are stamped approved and included in Appendix N-11. The ground water sample analysis is stamped accepted and included in Appendix L.

The approval or acceptance of a complete notice of intention does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations.

Please contact Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have questions about this action. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
